About Level Chinese™:

Level Chinese provides a Chinese literacy focused curriculum for K-12 classrooms. Our data driven literacy system allows teachers to better understand and more accurately assess the development of student’s literacy. Our program includes 20 levels of Language Skills, Reading Skills and Book Leveling for fiction and non-fiction, as well as formative online assessments and data analytics to inform instruction.

To learn more about our entire offering, visit www.levelchinese.com

About Level Chinese™ Early Literacy Offering:

Level Chinese Early Literacy offering provides a structured and systematic approach to teaching the most commonly used Chinese characters to new learners. Our offering teaches characters through story-telling and themes that are familiar to young learners.

Level Chinese provides two unique Early Literacy offering – 1) book series and 2) assessment and tracking system.

Book Series include:

- 12 leveled books across levels A through D
- Games for students to practice what they’ve learned
- Teachers’ guide with stories and key teaching points to help teach characters in the context of a story

To download games and teacher’s guide, visit www.levelchinese.com/early-literacy-resources

Assessment and Tracking system is available as part of Level Chinese subscription and provides mastery-based online assessment and data analytics for every level to show student’s learning progress and gap. To start a subscription, contact support@levelchinese.com.
